*I believe a quarry with railroad would be much more desirable in this area than the alternative (subdivision with many problems).*

*Tax benefits will help the whole county.*

3. Please use this space for additional comments or suggestions.

*I live within 5 miles of 5 different quarries in NE Medina County.*

*I have 2 1/2 miles of fence joining subdivisions.*

*There are many more problems with the subdivisions than with quarries.*

*If the quarry is not put in, our lands will be sold and subdivided. Livestock raising is no longer beneficial.*
